

CAMINITO DE PEPITO

Pepito Road Trip

Not quite sure what to go for?
Just take this easy route.

You can either do a sherry road trip
(Caminito de Vinos de Jerez)
taking in a variety of styles,
or a food road trip
(Caminito de Comida).

Best of all do both lanes at the same time by taking the **Autopista**,
each sherry being the perfect match for the dish shown next to it.

Sit back, relax and enjoy the ride.
